### Oxygen-Pro Programmable Air Freshness System, **Most popular deodorizing system on the Market**

Oxy-Gen Powered is the only technology that guarantees the delivery of fragrance in the air continuously, consistently and accurately for the entire duration of the cartridge life. This precise technology is based on a fuel cell technology that is used in the pharmaceutical industry to deliver drugs to human beings and animals. Oxy-Gen Powered technology is simple, reliable and cost-effective. You can program the dispenser to work for 30, 60 or 90 days, and can select different fragrance intensity levels. Fragrance odor control cartridges with Neutra-Lox odor eliminator.

### Hawk G2 Raptor Orbital Floor Machine

Has a revolutionary rectangular head and is easy to maneuver with less vibration and fatigue than other orbiting brands. Pad size: 20" x 14"; Pad speed: 1740 RPM; Amp: 9. Power: 115-230V, 60 Hz. Motor: 1.5 HP, 180 frame, TEFC dual capacitor AC motor. Reaches into corners and along baseboards. Can strip floor finish without chemicals. It is excellent for sanding, scrubbing and stone polishing. Easy to learn. Easy to use. One-piece industrial, powder-coated, heavy-duty welded steel frame and chromed steel handle for optimum durability. Variable position handle lock with transport lock. Dual steel operating triggers. 2" x 8" non-marking, ball bearing wheels. Four 2" vibration isolators.

### Scotch-Brite® Surface Preparation Pads

Reduces the need for chemical strippers. Use pad with neutral cleaner or water. If neutral cleaner is used, rinse floor with water prior to applying floor finish. Once floor is dry, dust with 3M Easy Trap Duster before applying floor finish. Helps reduce labor hours and material costs related to stripping floors. No slippery residue from strippers. No stripper cleanup on baseboards or nearby floors. Effectively removes floor finish, leaving a clean surface ready for recoating. Product can be used on vinyl tile, marble, terrazzo, concrete and other floor types. Prepares hardwood floors for finish applications.
