PRO-LINK® Pro Formance™ Energy-On-The-Refill Dispensers

Touch-free dispensers with energy-on-the-refill plus the ability to add communication modules. Reliable performance. Distinct closed cabinet design. Fully ADA compliant. LOCK OR NOT™ Technology, can convert to a locking system. This **Energy-On-The-Refill dispensing** system represents a 68% reduction in battery waste when compared to leading touch-free systems on the market. Each new refill comes with its own energy source, a coin cell battery that's integrated into the refill. When you replace the empty refill, you get fresh product and fresh energy in one simple step. Back-up power inside the dispenser provides added assurance of high performance, even with extreme high-frequency use. PET bottle and refill components are easy to disassemble, including removal of the battery.
