### EZ Foam® Counter Mount Dispenser

An innovative system that refills from ABOVE the counter using a patented refill "dock" and resealable refill bags. No messy spills or leaks. No crawling under the counter to refill. No waste from partially filled cartridges. ADA push compliant. Simply remove the pump head, insert and turn the refill bag to open and let the soap flow into the sealed reservoir. You can fill one dispenser or "top off" many. The sealed system keeps air and water out to eliminate the risk of contamination.

When full provides approximately 1,300 hand washes.
